Welcome

Welcome to the New Zealand Inbound Travel Directory 2011, your authoritative guide to those New Zealand tour operators and suppliers who handle a large share of New Zealand's inbound tourism business and who are members of the Inbound Tour Operators Council (ITOC).

We know from feedback that this annual publication is valued as a major source of information by our New Zealand members and overseas tour wholesalers and retail travel agencies.

ITOC plays an important role within the country's tourism industry and enjoys a close working relationship with the various Regional Tourism Organisations, Tourism New Zealand, Qualmark and other key national tourism bodies. Our focus is very much on stimulating business to business relationships between companies throughout the travel distribution chain as well as in enhancing quality and adding value.

In recent years ITOC has strengthened its focus on quality by implementing an Inbound Tour Operator accreditation system in conjunction with Qualmark. All ITOC full member inbound tour operators are now Qualmark accredited and must meet minimum standards ensuring that we play our part in New Zealand delivering a world-class visitor experience.

A desire amongst the membership to simplify and streamline the membership criteria for Full Member Inbound Tour Operators has seen the implementation of new rules that should make membership in ITOC a more attractive proposition for smaller operators.

Best wishes

Set in the leafy quietness of central Auckland's Greys Ave is a building with one hundred pristine rooms that hardly anyone knows about. That's how manager Glenn Gardiner sees the Enviro-friendly, 5-star budget accommodation otherwise known as City Lodge. A pavement-side sandwich board even beckons tourists and backpackers alike to experience Auckland's 'best kept secret.' With all rooms offering private ensuites, Fridge, TV and Coffee/Tea facilities City Lodge is a perfect place to rest your head and have a great nights sleep. People come back time and again to cook and chat in the airy basement kitchen where stainless steel abounds on trendy dining tables and gas hobs, every surface shiny enough to "eat your dinner off." At five years old the constantly enhanced premises lie at the cutting edge of consideration and this, Gardiner says, is the secret. Adding hot chocolate to the family of sachets on the beverage tray, skirt and trouser hangers to the wardrobe, flannels and handtowels to the upgraded rooms, good quality pillows to the beds and free sunscreen at every exit, all complete the City Lodge experience.

"Our self drive trip around NZ was great; we went to places we wouldn't have gone to and experienced without the knowledge of Michael and Nicola at Kiwi Travel"
JULIE & BARRY T, VIC AUSTRALIA.

"Mike and Nicola were wonderful. They organised a wonderful study abroad trip. Not only do they plan great experiences, they interact on a personal level with the students. The students loved them! I highly recommend them to assist in planning a study abroad!"
DR DONNA G, UNITED STATES OF AMERICA.

"The tour was excellent, I enjoyed all the places we visited. Our Tour Guides were excellent, very caring and helpful - keep up the good work Mike!"
