# Heritage Expeditions- 2 Nights Dusky Sound

- 4th Aug – (L,D) Transport departs Invercargill early morning to Te Anau where we transfer with Southern Lakes Helicopters to Dusky Sound. The captain and expedition leader will welcome TECNZ members and they are shown their ensuite cabins before sailing off to explore Dusky Sound. There will be an opportunity to do a landing and a short walk before finding a suitable anchorage for the evening. All locations will be weather and tide dependant.
  - 5th Aug – (B, L,D) with a full day, we plan to explore as much of Dusky Sound as possible. This may include Breaksea Sound and Acheron Passage which separates Resolution island from the mainland and is often a highlight for many in Fiordland. We will showcase the amazing diversity this iconic area has to offer guests on our trips: the chance to walk in the footsteps of Captain Cook and Astronomer William Wales, and explore a number of historical sites. We learn about New Zealand’s first sealing gang, first homestead and first European designed boat that was built and launched in 1795. Dusky Sound also includes predator free Anchor Island – home to half the worlds critically endangered Kakapo. Dinner will be served as we anchor up for the night to reflect on the experiences of the day.
  - 6th Aug (B) After breakfast we sail to our departure point where we transfer via helicopter with Southern Lakes Helicopters back to Te Anau. We will arrange transfers to Invercargill to join the conference for the afternoon session.
- Dates: 4<sup>th</sup> to 6<sup>th</sup> August
  - Cost: \$100 per person (Meal Inclusions shown (B Bfst) (L Lunch) (D Dinner))
  - Limited spaces and open to TEC Inbound Members Only
