

SHE Pre Qual

Health & Safety

For Tourism Suppliers and Businesses

Join now

What is SHE Pre Qual?

- Newly developed customized tourism desktop auditing and repository system to hold evidence of your business H&S management systems.
- An intuitive questionnaire that guides tourism business with questions that are of relevance.
- For example: if your business already falls under a pre qual such as CAA, Maritime NZ or Adventure Mark, questionnaire factors this in.

Who is SHE Pre Qual?

SHE Pre Qual specializes in H&S desktop auditing that checks and advises clients are meeting the necessary standards under the Health & Safety at Work Act 2015.

Their focus is on identifying gaps in H&S practices and particularly for companies that are part of the PCBU chain.

What is TECNZ trying to achieve?

- There is no standardised Health & Safety Pre-Qualification which is relevant to tourism as opposed to construction or manufacturing.
- A Pre-Qualification system is designed to ensure that all TECNZ members, meet the required NZ standards for managing H&S
- Whakaari White Island event has left a grey area
- Goal is 'best endeavour' to carry out due diligence
- An improved and more efficient way for ITOs to access Supplier information and vice versa.

What is the ideal world for ITOs?

- A universally accepted H&S Pre-Qualification solution for: Suppliers, ITOs and Off-shore trade partners and other relevant stakeholders.
- SHE Pre Qual does not replace your current H&S systems and processes. It is an added level of assurance.

Why sign up?

- Affordable investment for reassurance that you're meeting obligations under the Health & Safety at Work Act 2015 .
- Qualified H&S auditors who have experience with contractor and sub-contractor relationships.
- Receive advice on how your business needs to demonstrate and provide evidence on H&S continuous workplace culture.
- Receive advice on disclosing risk.
- Will enhance safety culture in your business.

Cost

- \$350 for businesses with < 10 staff
- \$700 for businesses with > 10 staff
- \$350 per property for accom chains that have > 3 properties

Biannual fee with a commitment of two years

How to sign up?

1. Head to the TECNZ website for link to payment portal. Make payment and login. You must have an NZBN number. Complete the online questions. Have documentation ready with evidence to submit. Note, TECNZ does not hold onto the information, SHE Pre Qual is the repository of information.
2. SHE Pre Qual evaluate the submission and provide assistance where required.
3. Once audited and approved, you will be certified with a SHE Pre Qual certificate.

What if I already hold a CAA, Maritime or AdventureMark certificate of operation?

SHE Pre Qual will still require information, but the list of questions will be less onerous compared to a business that does not come under CAA, Maritime or Adventure Mark audited companies.
